Regarding Save America PAC Committee ID Number: C00461723
RFAI of 9/7/2021

Dear Mr. Hinton:

Upon receipt of the RFAI from the Commission, the above referenced committee reviewed the report in question and discovered that the incorrect figure you referenced on Line 8, Column B was the result of an incorrect cycle to date figure being placed into the committees reporting software program when creating the report. This figure resulted in the committee overreporting Individual Contributions for the year to date on Line 11(a), Column B. The figure has been removed resulting in a correct \$5000 figure appearing in that column which in turn corrected the figure on Line 8.

As for the Commissions comment on the apparent excessive contributions, the report also simply misstates those as being for an "Other Election? the 3/12/2021 contribution was designated for the Primary election 2022 and the 4/30/2021 was designated for the General Election 2022. Thus, there were no excessive contributions.

An amended report has been filed which corrects these typographical errors.

If you have any more questions regarding the committee, please do not hesitate to contact us.

Sincerely, R. John Insinger, Treasurer
